## Product Image

## Description

**RD2418-CDR | UltraSite Round and square planters**

This round 2418-series planter is a coordinating outdoor furnishing for parks and landscaped public spaces. The cataloged model identifies the recycled planks configuration and its finish. The round and square designs should be compared by shape, material and install location rather than treated as interchangeable. Planting medium and plants are not included in the model evidence.

**Collection choices and accessories:** Matching outdoor furnishings, finishes and separately priced accessories are identified in the manufacturer catalog. Order a distinct SKU whenever the material, size, mounting or included accessory changes price. Check exact model compatibility before combining components.

**Selection guidance:** Confirm the desired finish or color, installation area, product capacity and site requirements with the quotation. The exact model specification takes precedence over general collection information.
