Description

The UltraSite Lexington model LX-36FT is the 36 gallon lexington receptacle w/ flat top lid & plastic liner configuration. This SKU features flat top lid and the single 36-gallon receptacle arrangement. The Lexington receptacle uses vertical steel slats with a powder-coated finish and is supplied with the lid and liner configuration identified by its SKU. Rain-bonnet, flat-top and ash-urn lids are separate configurations. The dual LX-72 assembly is the paired variant and has two liners. The same collection includes coordinating Lexington benches and planters. Optional recycling decals may be specified separately for compatible flat-top lids.
