Description

We took our bestselling Premium LTE and made it better, thanks to strategic engineering enhancements. The Premium LTE+ includes a new lighting system that allows the now improved interior lights to stay on during use for increased visibility, plus the control knobs change to red when in position. This model also includes an innovative hood assist mechanism which makes the grill easier to open and close, for more efficient cooking. Blaze gas grills feature precision cut, 304 stainless steel components which bring the promise of lasting durability to your outdoor BBQ. Available as a freestanding grill on a cart or built right into your outdoor kitchen island. Blaze gas grills have a lifetime warranty that warrants against any defects in the manufacturing and workmanship of the main burners, cooking grids, body, flame tamers, heat zone separators, warming rack, and control valves. While ignition, electronic, and lighting systems are covered for one (1) year after the date of purchase. Grills must be registered within thirty days for the warranty to apply.
