Description

632H-3 | UltraSite Commercial grills

The 632 cantilever rotating grill provides a 300-square-inch cooking area and 360-degree rotation with a cantilever grate. The manufacturer lists distinct inground, surface and accessible mounting choices as separate models. This is an outdoor charcoal appliance. Observe local fire restrictions and provide clearance and supervision suitable for public use.

Mounting	Inground and surface mount are separate SKUs
Accessories	Grill covers and utility shelves require exact-model compatibility

Collection choices and accessories: Matching outdoor furnishings, finishes and separately priced accessories are identified in the manufacturer catalog. Order a distinct SKU whenever the material, size, mounting or included accessory changes price. Check exact model compatibility before combining components.

Selection guidance: Confirm the desired finish or color, installation area, product capacity and site requirements with the quotation. The exact model specification takes precedence over general collection information.
