Thank you for visiting and taking the time to enquire. We have hundreds of slide options, so it does become confusing quickly. Please tell us about your project:

- Is this a Residential or Commercial venue? There are different standards and guidelines depending on where the slide is utilized. _____
- What is the AGE GROUP of anticipated users? 2-5? 5-12? 2-12? Adult? _____
- Is this slide to be used Indoor or outdoor? _____
- What material is the slide made of - Metal or plastic? _____
- What is the SHAPE of your slide- Straight, Spiral, Turn? _____
- Will this slide be placed on a hillside or embankment? _____
- Are you considering an Open Bedway or Closed Tube? _____
- What is the (height, measurement) from deck to deck? _____
- What is the Space Available? Such as *"we have an area 10'x10'"* OR *"we have 18' from the deck forward"*

Describe: _____

- What is your project budget? (*slides vary from hundreds to many thousands!*) _____
- What else can you tell us about your project?
- Where have you looked already? What you already know or have learned in an immense jump to the best solution.

- What was wrong with (those)? We don't want to repeat the same mistakes!

- Anything else? Do you have a photo? Do you have a drawing? Please attach so we can see this project through *YOUR* eyes!
