Description

32 Gallon Rolled Ash Urn With A 14 Inch Opening: AUR-32-14

This large-opening 32-gallon ash-urn lid is a top accessory, not a complete trash receptacle. The 14-inch opening distinguishes it from the 8-inch AUR-32-08 variant. Before ordering, match the lid to the receptacle body shape, capacity, rim dimension and finish. Interchangeability with other lid families must not be assumed based solely on gallon rating.
