Description

46 Inch Kensington Square Slat Table, 3 Seats, Surface Mount

The Kensington 40SMH3-S commercial square picnic table pairs a 46-inch rolled-slat steel tabletop with 3 attached rolled-slat seats. The three-seat configuration leaves one side without an attached bench for easier approach and a more open circulation layout. Its powder-coated steel construction uses a single structural pedestal and stainless-steel hardware. The surface mount configuration is designed for a permanent park, campus or plaza installation.
