Description

627 | UltraSite Commercial grills

The 627 cantilever group grill has a 1,064-square-inch cooking area. Mounting choices are supplied as separate 627 or 627SM models; verify site clearances and footing requirements before ordering. This is an outdoor charcoal appliance. Observe local fire restrictions and provide clearance and supervision suitable for public use.

Exact-model specifications

Exact model	627
2026 catalog configuration	CANTILEVER GROUP GRILL (1064 SQ. INCH) - INGROUND
Cooking area	1064 sq in

Compare sizes, styles and configurations

620 / 616	280 sq in; 616 has flip-back grate
630 / 632	300 sq in; 632 uses cantilever design
621	1,008 sq in bi-level group grill
627	1,064 sq in cantilever group grill
Mounting	Inground and surface mount are separate SKUs
Accessories	Grill covers and utility shelves require exact-model compatibility

Collection choices and accessories: Matching outdoor furnishings, finishes and separately priced accessories are identified in the manufacturer catalog. Order a distinct SKU whenever the material, size, mounting or included accessory changes price. Check exact model compatibility before combining components.

Selection guidance: Confirm the desired finish or color, installation area, product capacity and site requirements with the quotation. The exact model specification takes precedence over general collection information.
