Description

Model 01-04-0400 is a retrofit anti-skateboard tab accessory intended for compatible outdoor commercial benches. One tab is supplied per kit.

Features and ordering details

- One anti-skateboard tab per purchased kit
- Includes drill bit and installation hardware according to the source parts listing
- Sold separately from the seat, frame and mounting equipment
- Suitable bench families include the 940 and 942 extra heavy-duty seating collections when compatible

Compare configurations

Model	Configuration	Selection guidance
01-04-0400	Single tab kit	One tab with hardware and drill bit
940 or 942 bench	Complete park bench	Bench purchased separately; quantity of tabs depends on project requirements

Check the exact bench pattern and approved tab locations before drilling. Do not assume one kit treats an entire bench.
