- **Finish:** Electrostatic powder coat, oven cured
- **Mount:** Surface Mount
- **Height configuration:** Standard Height
- **Overall width:** 29-7/16 in
- **Overall depth:** 28 in
- **Overall height:** 38-3/8 in
- **Surface plate:** 8" square x 1/4" thick steel plate
- **Utility shelf:** 19" wide x 8" deep
- **Utility shelf material:** Formed 7-gauge steel

Mounting comparison

Model	Height Class	Mount	Utility Shelf
640SM-3-U	Standard Height	Surface Mount	Yes
640-3-U	Standard Height	Inground	Yes

Standard / ADA-height comparison

Model	Height Class	Overall Height	Mount
640SM-3-U	Standard Height	38-3/8 in	Surface Mount
640SMH-3-U	ADA Height	28-3/8 in	Surface Mount

Utility shelf comparison

Model	Utility Shelf	Mount	Height Class
640SM-3-U	Yes	Surface Mount	Standard Height
640SM-3	No	Surface Mount	Standard Height

The current 640 specification identifies this product as a pedestal-mounted cooking grill. The previous ODS title used “rotating” and 432 square inches; neither is supported by the current 640 drawing, which specifies a 420-square-inch cooking surface.
