# Novice Barkpark Kit $5,239.00

https://www.dunriteplaygrounds.com/store2/10497-Novice-Barkpark-Kit

## Product Image

## Description

### Novice BarkPark Agility Course | BARK-NVKIT

The BarkPark Novice Course is a complete four-activity dog agility kit for public dog parks, pet-care facilities and recreation spaces. The kit includes the Rover Jump Over, Paws Grooming Table, Doggie Crawl and Hoop Jump. These four activities are included with the course, rather than merely suggested as separate companion products. The components provide jumping, resting or grooming, and crawl-through agility challenges. Other park furnishings and amenities are not identified as included.

### Exact kit specifications

| | |
|---|---|
| Course model | BARK-NVKIT |
| Included activities | 4, listed by model below |
| Mounting | Inground mount |
| Available color schemes | Natural (beige and green) or Playful (red and blue) |
| Original 2026 price-list designation | NOVICE BARKPARK KIT, 4 PIECES |

| | |
|---|---|
| Published shipping weight | 253 lb |

## Included equipment and component models

| Component model | Activity | Kit status |
|---|---|---|
| PBARK-450 | Rover Jump Over | Included in BARK-NVKIT |
| PBARK-420 | Paws Grooming Table | Included in BARK-NVKIT |
| PBARK-491 | Doggie Crawl | Included in BARK-NVKIT |
| TBARK-430 | Hoop Jump | Included in BARK-NVKIT |

The Hoop Jump incorporates rings at graduated heights, while the Rover Jump Over provides an adjustable bar challenge. The Doggie Crawl adds a tunnel activity, and the Paws Grooming Table provides an elevated place for dogs to pause or practice commands. Those descriptions identify activity functions, not additional kit components.

## Course comparison and options

| Course | Activity count | Key distinction |
|---|---|---|
| BARK-NVKIT Novice | 4 | Four included introductory activities; inground mounting |
| BARK-ITKIT Intermediate | 6 | Adds Stepping Paws and King of the Hill to the Novice activity group; separate course SKU |

Choose the Natural or Playful color scheme for this course. Manufacturer installation and site-planning documents should be consulted for final placement and required clearances. Neither a minimum site area nor separately ordered amenities is asserted as part of this kit.
