Nine included activities and model comparisons

Activity model	Included activity	Kit quantity
PBARK-450	Rover Jump Over	1 included activity
PBARK-420	Paws Grooming Table	1 included activity
PBARK-491	Doggie Crawl	1 included activity
TBARK-430	Hoop Jump	1 included activity
PBARK-470	Stepping Paws	1 included activity
PBARK-400	King of the Hill	1 included activity
PBARK-440	Teeter Totter	1 included activity
PBARK-460	Weave Posts	1 included activity
PBARK-410	Dog Walk	1 included activity

The included Hoop Jump is model TBARK-430, a separate activity listing that is supplied as part of this nine-piece kit. The other eight activities are included as identified in the table. When comparing individual activities with the complete course, use the exact component model to avoid substituting a different mounting configuration or assuming unrelated accessories are included. Consult the manufacturer for the site-specific course layout and installation requirements.
