Description

Teeter Totter | BarkPark model PBARK-440

TEETER TOTTER , INGROUND. The moving balance board challenges dogs to control their weight shift and stepping pace. BarkPark offers this obstacle with its slip-resistant CanineCoat finish. This is the **PBARK-440** configuration; versions with different mounting, materials or included components carry separate SKUs. Consult the exact installation drawing for required clearances, footing details and site preparation.

For a coordinated dog park, this equipment can be planned alongside appropriate agility obstacles and visitor amenities such as leash stations, drinking fountains, waste stations and seating. Any companion equipment is sold separately unless the exact-model description explicitly includes it. Verify the chosen site layout and any accessory compatibility before ordering.
