Description

32 Gallon Savannah Slat Receptacle Rain Bonnet Lid and Plastic Liner | SV-S32RB

32 Gallon Savannah Slat Receptacle Rain Bonnet Lid and Plastic Liner is the 32-gallon slat-pattern Savannah site receptacle with a rain bonnet lid configuration.

The Savannah collection coordinates broad-frame benches, tables and receptacles with Morning, Slat and Bow visual treatments. Check the model suffix for the exact lid and pattern; these combinations are distinct priced SKUs rather than selections in an online shopping cart.

The collection includes coordinating benches and tables for consistent furnishings across a park, campus, trailhead or outdoor gathering area. Select liners, installation method and finish using the exact receptacle documentation.
