Product Image

Description

32 Gallon Round Top: RT-32

This 32-gallon receptacle top uses a self-closing swing door to limit exposure to weather and pests. It is sold as a component, not a complete receptacle. Before ordering, match the lid to the receptacle body shape, capacity, rim dimension and finish. Interchangeability with other lid families must not be assumed based solely on gallon rating.

Verified lid specifications

Feature	Specification
SKU	RT-32
Component	32-gallon round self-closing receptacle top
Construction	Heavy-duty structural plastic
Outside diameter	24-7/8 in
Inside diameter	24 in
Height	11-3/4 in
Operation	Self-closing swing door

Compare receptacle top styles

Model	Type	Selection note
RT-32	Self-closing round top	Structural-plastic swing-door design
AUR-32-14	14-inch opening ash urn	Spun-metal ash-urn lid
AU-32-TRSQ	Square ash urn lid	Different square body compatibility

Available options: UltraSite offers round tops, ash-urn tops and other lids as distinct model numbers. Compatible liners and receptacle bodies are separate SKUs where listed. Select the full assembly according to the site’s waste-handling needs.
