The exact 934SM-P6 manufacturer specification lists the 6-foot surface-mount bench with 20-inch-wide seats, approximately 72-1/8-inch seat length, and an 18-inch seat height.

Mounting comparison

Model	Length	Pattern	Mount
934S-P6	6 ft	Perforated	Inground
934SM-P6	6 ft	Perforated	Surface Mount

Length comparison

Model	Length	Open Center	Mount	Pattern
934S-P6	6 ft	32 in square	Inground	Perforated
934S-P8	8 ft	56 in square	Inground	Perforated

Pattern comparison

Model	Pattern	Length	Mount
934S-P6	Perforated	6 ft	Inground
934S-V6	Diamond	6 ft	Inground

Seat and frame color are finish options and do not create separate SKU relationships. Length and seating pattern change the physical product, so they remain comparison choices rather than exact related-product equivalents.
