Description

6 Foot Portable Frame Only 9 foot 40 Park Bench Frame: 940P-F6

This **6-foot portable frame-only** product is part of the UltraSite 940 seating family. The 2026 manufacturer list calls it **6' PORTABLE FRAME ONLY - 940 Park Bench Frame**. It supplies the structural frame for a compatible bench assembly, not a complete bench. Specify the correct bench length, plank construction, seat/back configuration and mount before selecting a frame. Do not assume seating planks or anchor hardware are included.

Frame-only specification

Feature	Specification
SKU	940P-F6
Scope	Frame only; no seat or back planks included
Bench compatibility	Park bench frame

Length	6-foot
Mounting	Portable
2026 listed shipping weight	39 lb
Other requirements	Compatible planks, attachment hardware and site anchors as applicable, verified separately

Matching 940 frame configurations

Other frame SKU	Mounting	Selection guidance
940SM-F6	Surface mount	Frame-only, compatible length 6-foot
940S-F6	Inground	Frame-only, compatible length 6-foot

Material and finish choices: finished 940 seating systems include wood, recycled or coated-metal options depending on the exact complete-bench SKU. Those choices do not convert this frame-only listing into a complete seat. The 940 collection also offers full benches and separately sold accessories; confirm compatibility before cross-ordering.
