Description

6 Foot Park Bench 8 Slat 2x4 Inch Planks Portable Untreated Pine (965P-U6) corresponds to the 2026 exact-model description: 6' PARK BENCH, 8-SLAT, 2" x 4" PLANKS, PORTABLE, UNTREATED PINE. The specifications below identify this SKU rather than every available option in the manufacturer family.

Exact model specifications

Catalog model	965P-U6
2026 exact-model listing	6' PARK BENCH, 8-SLAT, 2" x 4" PLANKS, PORTABLE, UNTREATED PINE
Nominal length	6 feet
Planking material	Untreated pine
Seating	Eight contoured slats, 2 x 4 inch nominal planks
Mount	Portable

Frame	All-MIG-welded 2-3/8 inch O.D. steel pipe
Hardware	Zinc-plated

Configuration comparison

This model	6 ft portable double-post contour bench with untreated pine
Length alternatives	6 ft and 8 ft models are independently ordered
Material alternatives	Untreated, stained or pressure-treated wood and recycled-plastic lumber have distinct catalog numbers
Mount alternatives	Inground and surface-mounted variants are separate models

This exact 6-foot double-post contour park bench uses untreated pine in eight 2-by-4-inch contoured seat slats. The manufacturer identifies an all-welded 2-3/8-inch outside-diameter pipe frame and zinc-plated fasteners. The portable version differs from inground and surface-mount configurations in the same family. Frame powder coating or hot-dip galvanizing is an ordering choice where applicable, rather than a separate plank material. Verify the selected frame coating and finished location before ordering. This bench is not an accessible picnic table and does not include a companion table. Other six- and eight-foot wood or recycled-plastic variants are separate products, allowing buyers to compare upkeep, finish and material without confusing those differences with the nominal bench length.
