Description

6 Foot Single Pedestal Rectangular Table Inground Gray Recycled is the 6-foot rectangular single-pedestal picnic table, model **337S-GRY6**. This inground configuration uses gray recycled plastic seating and tabletop planks on the 337 permanent center-post frame.

- **Length:** 6 ft
- **Mount:** Inground
- **Plank size:** 2" x 10"
- **Material:** Gray recycled plastic
- **Main post:** 4" x 4" x 11-gauge pre-galvanized structural steel
- **Support arms:** 3" x 3" x 11-gauge structural steel
- **Construction:** Electrically MIG welded
- **Frame finish:** Powder coated

The recycled-plastic 337 specification identifies a minimum 96% post-consumer or post-

industrial recycled-plastic content with additives for color and UV stabilization, and uses zinc-coated hardware. Gray, green, cedar, and brown are treated as recycled-plastic color choices rather than distinct related-product criteria.

Mounting comparison

Model	Mount	Material
337S-GRY6	Inground	Gray recycled plastic
337SM-GRY6	Surface mount	Gray recycled plastic

Other material choices in this mount

Material	Model
Untreated pine	337S-U6
Cedar recycled plastic	337S-CDR6

Recycled-plastic color is a finish choice. Color-only variants are not used to create related-product links.
