Mount comparison

Model	Pattern	Mount	Top Height	Seat Height
362S-RDP	Perforated	Inground	41 in	30 in
362SM-RDP	Perforated	Surface Mount	41-1/2 in	30-1/2 in

Pattern comparison

Model	Pattern	Mount	Top Height
362S-RDP	Perforated	Inground	41 in
362S-RDV	Diamond	Inground	40-7/8 in

Top and frame colors are finish options. Mount style and top pattern change the physical configuration, so those alternatives are handled as separate catalog choices.
