Description

4 Foot Preschool Rectangular Table Portable Diamond (158PS-V4)

The 4 Foot Preschool Rectangular Table Portable Diamond is the exact rectangular preschool table configuration listed as model 158PS-V4 in the 2026 manufacturer catalog. The manufacturer describes this SKU as 4' Preschool Rectangular Table, Portable Diamond. This identifies the orderable configuration, rather than every color, size or mounting variation offered across the broader product family.

The child-height rectangular table has rounded corners, a 20-inch tabletop and 12-inch seating. Manufacturer specifications identify a 1-5/8-inch O.D. welded frame, 1-inch braces, stainless-steel hardware and a walk-through layout.

The 4-, 6- and 8-foot models are distinct lengths. Thermoplastic diamond and perforated patterns are separate catalog model choices; these tables are portable rather than inground.

Review mounting conditions, compatible anchors and requested finish when planning a school, park, streetscape or recreation installation. Other family styles, accessory pieces and finishes are separate product selections unless specifically included in this model description.
