Horizons Bike Rack Inground $628.00

https://www.dunriteplaygrounds.com/store2/31778-Horseshoe-Bike-Rack-2-inch-Square-Inground

Product Image

Description

Horizons Bike Rack Inground, model **5020S**, is a commercial two-bike rack with inground installation. The Horizons Bike Rack uses 2" square x 11-gauge steel tubing and a powder coated finish.

- **Bike capacity:** Up to 2 bikes
- **Mount:** Inground
- **Framework:** 2" square x 11-gauge steel tubing
- **Finish:** Powder coated

The Horizons design uses square steel tubing for a more geometric, modern profile.

Mounting comparison

Model	Family	Mount	Capacity	Framework
5020S	Horizons Bike Rack	Inground	2 bikes	2" square x 11-gauge steel tubing

5020SM	Horizons Bike Rack	Surface Mount	2 bikes	2" square x 11-gauge steel tubing

Other two-bike rack designs

Family	Model in this mount	Framework
Solstice Bike Rack	5000S	1.9" O.D. round x 11-gauge steel tubing
Hitch Bike Rack	5040S	2-3/8" O.D. x 12-gauge pre-galvanized steel pipe with 1-5/16" x 14-gauge zinc-tubing rings

Powder-coat color is a finish option and does not create a separate related-product relationship.
