32 Gallon Trash Receptacle With Recycling Logo Expanded $644.00

https://www.dunriteplaygrounds.com/store2/31914-32-Gallon-Trash-Receptacle-With-Recycling-Logo-Expanded

Product Image

Description

32-gallon expanded-metal recycling receptacle

The EX-32RE recycling receptacle combines an expanded-steel body with a laser-cut recycling symbol for visible waste-stream identification in parks and public outdoor spaces.

Verified product specifications

Capacity	32 gallons
Diameter	23-1/4 inches
Height	29-3/4 inches
Body	3/4-inch #9 expanded steel
Recycling logo	Laser-cut 12-gauge steel
Coating	Fluidized-bed thermoplastic
Mounting	Attachment hardware and mounting kit not included

Product selection and comparison

Choose the expanded-metal EX-32RE body for a ventilated mesh appearance with recycling identification. The perforated-body PR-32RE is a different construction; verify lid, liner and mount separately.

Confirm exact configuration, installation instructions and site conditions prior to ordering or installation.
