## Trapeze Ring - Plastic. For Residential Use Only \$4.00

https://www.dunriteplaygrounds.com/store2/5191-STR-Trapeze-Ring-Plastic-For-Residential-Use-Only

## **Product Image**

## **Description**

Our standard trapeze rings are of the time honored triangle configuration. All are injection molded for maximum strength without the need for metal inserts. They offer a cost effective, customer appealing alternative to the very light weight trapeze rings
