Description

Elevate Your Playground Experience

The 7 Foot Deck – 14 Foot Rocket Slide with Foot is a high-performance commercial playground slide designed for 7-foot deck height platforms. With an extended 14-foot slide length, this rocket-style slide delivers a fast, exciting ride while maintaining structural integrity and safety for daily use.

The included support foot enhances stability and ensures secure installation in high-traffic environments. Engineered for durability and long-term performance, this slide is ideal for schools, parks, churches, camps, apartment communities, and municipal recreation areas.

Its longer slide profile increases play value while maintaining smooth transitions and weather-resistant construction, making it suitable for both new playground installations and replacement applications.
