Description

RD2418-PT | UltraSite Round and square planters

This round 2418-series planter is a coordinating outdoor furnishing for parks and landscaped public spaces. The cataloged model identifies the as listed in the price list configuration and its finish. The round and square designs should be compared by shape, material and install location rather than treated as interchangeable. Planting medium and plants are not included in the model evidence.

Compare sizes, styles and configurations

RD2418	Round planter; recycled-plank or metal patterns according to SKU
SQ2418	Square planter; recycled-plank or metal patterns according to SKU
Finish options	Recycled cedar, green, gray or brown, plus specific metal patterns
Separate component	Planter liner sold separately where model-compatible

Collection choices and accessories: Matching outdoor furnishings, finishes and separately priced accessories are identified in the manufacturer catalog. Order a distinct SKU whenever the material, size, mounting or included accessory changes price. Check exact model compatibility before combining components.

Selection guidance: Confirm the desired finish or color, installation area, product capacity and site requirements with the quotation. The exact model specification takes precedence over general collection information.
