Description

SQUARE PRESSURE TREATED WOOD TRASH RECEPTACLE | TRSQ-32-PT

The UltraSite TRSQ-32-PT is a 32-gallon square wood trash receptacle. The 2026 price-list designation is square 32 gallon pressure treated wood trash receptacle. The specified wood treatment distinguishes this product from other independently priced configurations within the square receptacle family.

Exact-model specifications and package

Specification	Verified detail
Exact model	TRSQ-32-PT
Manufacturer listing	SQUARE 32 GALLON PRESSURE TREATED WOOD TRASH RECEPTACLE

Telephone:

Capacity	32 gallons
Construction	pressure-treated wood
Body	Square, plank-style
Lid and liner	Not established as included; specify compatible accessories separately
Mounting	Consult model-specific installation instructions

The manufacturer describes square receptacles with 2 x 4 inch planks in wood or recycled-plastic constructions. Square tops and plastic liners are model-dependent options, so inclusion must be confirmed against the exact ordering package rather than assumed from capacity alone.

Compare related collection configurations

Model	Length or fit	Catalog distinction	Type
TRSQ-32-T	Refer to exact-model listing	SQUARE 32 GALLON REDWOOD STAIN WOOD TRASH RECEPTACLE	Receptacle
TRSQ-32-U	Refer to exact-model listing	SQUARE 32 GALLON UNTREATED PINE WOOD TRASH RECEPTACLE	Receptacle

Materials, finishes and accessories: Alternative wood treatments and recycled-plastic colors are represented by separately priced SKUs. Select a compatible square receptacle lid and liner where needed; related components should not be assumed to ship with this model. The model listed above controls the exact purchase configuration; confirm available finish colors and relevant compatible accessories before requesting a quotation.
