Description

Sturdy Spring Base for Frog, Whale, and Animal Riders

Ensure a safe, sturdy, and long-lasting installation for your playground riders with our Heavy-Duty Spring Stand, designed to pair perfectly with commercial spring-mounted animal riders like our Frog Rider and Wally the Whale.

Built for durability and stability, this stand measures 19” L x 8” W x 8” H (48.3 cm x 20 cm x 20 cm) and weighs 31 lbs, providing a solid, reliable base that supports smooth motion and long-term performance in any outdoor environment.

Because of its substantial size and weight, freight costs vary by location. For the most accurate shipping rate, customers are encouraged to contact our team directly by phone or email. Perfect for parks, schools, and commercial playgrounds seeking a trusted mounting solution for motion-based riders.
