Description

Ensure safe and secure installation of your playground animal riders with the Animal Rider Hardware Kit. Designed to fit the Frog Rider, Wally the Whale and Elephant Rider. This heavy-duty kit provides all the necessary components for a reliable, long-lasting setup.

The kit measures 15¼” L x 15½” W x 19” H (38.7 cm x 39.4 cm x 48.3 cm) and weighs 100 pounds, making it ideal for commercial playgrounds, schools, parks, and recreation areas. Engineered for durability, this kit ensures your animal riders remain stable and safe during years of active play.

Because of its size and weight, accurate freight costs vary. Please contact our team by phone or email for a precise shipping quote. With this hardware kit, you can install your Animal Riders confidently, providing a safe, secure, and fun experience for children.
