Description

Playground Viewing & Interactive Feature

Enhance your playground with the 30-Inch Bubble, a durable and engaging component that provides children with a safe, interactive viewing and play experience. This high-quality bubble encourages imaginative play, social interaction, and sensory exploration, allowing kids to look through, peek out, and engage with their environment.

The bubble measures 30? (76.2 cm) in diameter with an overall panel size of 35? x 35? x 10? rise (89 cm x 89 cm x 25 cm rise), making it ideal for a wide range of playground installations. Constructed from impact-resistant, weatherproof materials, the 30-Inch Bubble is perfect for parks, schools, childcare centers, and indoor activity areas.

Durable, safe, and visually appealing, this bubble is ideal for adding fun, creativity, and interactive play opportunities to your playground structures.
