Description

Safe, Durable Playground Slide

Add a dynamic and safe sliding experience to your playground with the 3-Foot Curved Slide, a one-piece commercial slide designed for seamless installation and durability. With a built-in level entrance and elevated molded exit, this slide has no seams or joints, eliminating concerns of potential string entrapment. Molded-in foot holds enhance safety while providing a secure, comfortable slide for children.

The 3-Foot Curved Slide is available in a variety of colors and fits a wide range of playground systems. It is a replacement for multiple models, including:

- TAD08652XX – 90 Degree Curve Slide 36? Deck, 3.5×48 System
- TAD08593XX – 90 Degree Curve Slide 36? Deck, Adventure Systems
- TEX08686XX – 90 Degree Curve Slide 36? Deck, Expedition Series
- REC08043XX – 90 Degree Curve Slide 36? Deck, Recycled System
