Description

Open Entrance Straight Section

Take your playground design to the next level with the 3-Foot Deck Height Starglide Open Entrance Straight Slide—a modular slide section that gives you complete creative freedom. Whether you're expanding an existing sectional system or designing a new slide layout, this straight chute is engineered to integrate effortlessly with the Starglide slide family.

Its open entrance design allows greater adaptability, offering smooth transitions when connecting to additional chute sections, entry hoods, or exit/runouts. Built for 36" (3-foot) deck heights, it maintains a secure, comfortable ride while reducing installation complexity.

Manufactured from durable commercial-grade materials, this straight Starglide section withstands heavy traffic in parks, schools, HOAs, and public playgrounds. The modular sectional format makes it easy to mix and match components, optimize space, and create slide combinations that fit your unique play structure.

Dimensions:
- Deck Height: 36" (3 ft)
- Section Type: Straight chute with open entrance
- System: Starglide modular slide series
(Length varies based on chosen sectional configuration.)
