Description

Thrilling, Safe Ride!

Bring extra fun and motion to your playground with the 6 Foot Deck Height Starglide Slide – Wave, engineered with a smooth “wave” dip that creates a thrilling yet safe ride. Built for 6-foot deck heights, this slide features a total length of approximately 12 feet, making it perfect for commercial and residential playground applications.

Constructed with durable, fade-resistant plastic, this wave slide is part of the Starglide sectional system, allowing you to mix components and replace existing chute slide sections with ease. Its distinctive wave design adds variety and excitement while maintaining safe, controlled speed.

This model replaces the SGS-6WAVE, 6 Foot Deck Height Star Gate Sectional Wave Slide

Ideal for parks, schools, churches, HOAs, daycares, and any playground needing a reliable

replacement for an older wave chute slide.
