Description

Dynamic Wavy Slide Experience

The 7 Foot Deck Height Starglide Slide – Veer Left Wave is a commercial-grade sectional playground slide designed for 7 ft deck heights. This left-veering wave slide offers a dynamic wavy sliding experience while maintaining maximum safety.

With the modular Starglide system, you can mix and match parts to create a unique playground layout. The 36-inch entry hood and exit/runout ensure smooth transitions and safe sliding for children.

Crafted from rotationally molded, UV-stable polyethylene, this slide is built to handle heavy use and outdoor conditions. Perfect for Adventure Playground and Expedition Systems, this model replaces previous sectional left-veering wave slides, such as:
- CSS-7LV Wave – 7 Foot Deck Height Chute Slide Sectional Left Veer
- TEX19272XX – 7 ft deck Left Turn Chute Slide for Expedition Systems

- TAD16714XX – 7 ft deck Left Turn Chute Slide, 3.5x48 system
- TAD16774XX – 7 ft deck Left Turn Chute Slide, Adventure Playground
- TAD19244XX – 7 ft deck Left Turn Chute Slide, Adventure Playground
- TAD19258XX – 7 ft deck Left Turn Chute Slide, 3.5 x 46.5 system
- TEX16654XX – 7 ft deck Left Turn Chute Slide, Expedition Systems
