Description

Exciting & Safe Play!

The 7 Foot Deck Height Starglide Wave Slide – Open Entrance Veer Right is a commercial-grade sectional playground slide designed for 7 ft deck heights. This right-veering slide with an open entrance allows for exciting and safe play while ensuring smooth transitions down wavy contours with a 36-inch entry hood and exit/runout.

Part of the modular Starglide system, this slide can be combined with other sectional components to create fully customized playground layouts. The robust construction guarantees durability and longevity for commercial playground environments.

Perfect for Adventure Playground and Expedition Systems, it also serves as a replacement for previous right-veering open entrance slide models, such as: CSS-7RV, 7 Foot Deck Height Chute Slide Sectional Open Entrance Veer Right
