Description

Keep Kids Engaged & Active!

The 7 Foot Deck Height Starglide Slide – Single Entrance Snake Right brings a thrilling right-turn “snake” design to your playground, while offering the convenience of an open, single entrance for easy rider access. Built for 7 ft deck heights, this sectional chute slide delivers exciting movement with a winding path that keeps kids engaged and active.

This model is part of the highly customizable Starglide Sectional Slide System, allowing you to mix and match slide components to create the perfect configuration for your playground layout. With a 36-inch entry hood and 36-inch exit/runout, the transition into and out of the slide is smooth, secure, and safety-focused.

Engineered to act as a direct replacement for CSS-7SNR (7 Foot Deck Height Chute Slide Sectional Right Snake), this slide is ideal for refreshing older playground structures, replacing damaged sections, or upgrading to a modern, more durable slide configuration.
