Description

Exciting Multi-Rider Play!

The Starglide™ 8 Foot Deck Height Triple Bed Straight Slide is a commercial-grade tri-chute playground slide designed for 8-foot (96") deck heights. Featuring three straight sliding lanes, this slide maximizes rider capacity while maintaining a clean, symmetrical design ideal for high-traffic playground environments.

Built as part of the Starglide™ sectional slide system, this triple bed straight slide allows designers to mix and match modular components to create playground layouts that fit their structure and user flow. The entry hood and exit/runout are engineered for a 36" (.9 m) deck height, ensuring smooth transitions and system-wide compatibility.

Perfect for parks, schools, and community playgrounds, this 8 foot deck tri-chute slide delivers durability, safety, and exciting multi-rider play in one streamlined solution.

This Starglide™ slide replaces the following part numbers:

- TAD04915XX – Straight Tri Chute Slide for 8 Foot Deck Height
- TEX04928XX – Straight Tri Chute Slide for Expedition Series (8 ft deck)
