Description

Built for Durability!

Deliver safe, dependable sliding fun with the 3 Foot Deck Height Triple Rail Slide with Foot, a compact slide designed for 36-inch deck height playground systems. Built for durability and consistent performance, this triple rail slide provides a stable, controlled ride ideal for younger users and high-traffic commercial play environments.

Backed by a 10-year limited manufacturer's warranty, this slide reflects a commitment to quality and long-term reliability. Designed as a direct replacement for multiple legacy triple rail slide models, it offers an efficient solution for maintaining or upgrading existing playground systems without requiring a complete redesign.

This slide is well-suited for schools, parks, daycare centers, churches, and other commercial playground installations, delivering proven performance and compatibility across a range of system types.

This 3 Foot Deck Height Triple Rail Slide with Foot replaces the following models:

- ASM1345XX – 36? Deck Height Triple Rail Slide (3.5? × 48? SM at -2? Elev.)
- TEX19338XX – 36? Deck Height Triple Rail Slide for Expedition Systems
- ESM0395XX – 36? Deck Triple Rail Slide, Expedition Series SM
- TAD19325XX – 36? Deck Height Triple Rail Slide (3.5? × 46.5? Systems)
- TEX08688XX – Triple Rail Slide, 36? Deck, Expedition Series
- ASM0684XX – 36? Deck Triple Rail Slide (3.5? × 48? SM at -2? Elev.)
-ASM0375XX – 36? Deck Triple Rail Slide (3.5? × 48? SM at -2.5? Elev.)
- TAD08612XX – Triple Rail Slide, 36? Deck for 3.5? × 48? System
