Description

Bring Excitement to Your Playground

Add enclosed, high-impact play value to your playground with the 30 Inch Full Tube Slide Assembly, designed for 60-inch (5 ft) deck height playground systems. With an overall approximately 10-foot slide length, this tube slide is a popular choice for commercial playgrounds seeking excitement, durability, and efficient use of space.

Tube slides provide a fun, enclosed sliding experience while helping guide riders through a smooth, controlled descent. This assembly features 30-inch diameter tube sections with molded bell joints, allowing seamless connections and future expansion using straight sections or elbows.

This 30 Inch Full Tube Slide Assembly (60? Deck Height) replaces the following models:
- 40008105XX and 50008105XX – Straight Tube Slide, 30? Diameter for 60? Deck Height
- 50608105CX – 30? Diameter × 60? Deck Height Straight Tube Slide

- A480290XX – 60? Deck Height Straight Tube Slide
