Product Image

Description

Boone Grid Bike Rack Double-Sided 5 Foot 10-Bike, model **5425**, is a double-sided Boone grid-style bike rack sized for up to 10 bikes.

- **Configuration:** Double-Sided
- **Nominal length:** 5 ft
- **Bike capacity:** 10 bikes
- **Main frame:** 1-5/8" O.D. steel pipe
- **Rungs:** 1/2" steel bars
- **Overall length:** 63.75 in
- **Overall width:** 37.5 in
- **Overall height:** 30.5 in
- **Catalog finish state:** Legacy Generic Finish

This is the older generic-finish ODS record. Its source description allows a powder-coat paint

or zinc finish, so this legacy record is intentionally not relabeled as galvanized.

Single-sided / double-sided comparison

Model	Configuration	Length	Capacity	Width
5425	Double-Sided	5 ft	10 bikes	37.5 in
5405	Single-Sided	5 ft	5 bikes	29.5 in

Other length in this configuration

Model	Length	Capacity	Overall Length
5425	5 ft	10 bikes	63.75 in
5429	9 ft	18 bikes	111.75 in

Catalog finish record

Model	Catalog State	Configuration	Capacity
5425	Legacy Generic Finish	Double-Sided	10 bikes
P5425	Powder-coated finish-specific record	Double-Sided	10 bikes
