Description

The UltraSite Huntington model 53-HX2 is the 21" huntington chair w/ back, powdercoated configuration. This SKU features geometric steel-tube seating and the with back arrangement. The Huntington collection uses a distinctive geometric, Art Deco-inspired design with welded powder-coated steel. Coordinating options include benches with and without backs, a square table with four chairs, and 32-gallon receptacles. The receptacle family offers ash-urn, flat-top and rain-bonnet lids; the inner shield may use a contrasting powder-coated color. Specify finish color during quotation and confirm the intended placement and mounting.
