Description

Dog Wash Station | BarkPark model BARK-412

ELITE TUB WASH STATION, Stainless steel. A dedicated dog wash station provides a cleaning area for parks, pet facilities and public-use dog spaces. The stainless-steel station configuration must be selected by exact SKU. This is the **BARK-412** configuration; versions with different mounting, materials or included components carry separate SKUs. Consult the exact installation drawing for required clearances, footing details and site preparation.

Model	Manufacturer description	Installation
BARK-412	ELITE TUB WASH STATION, Stainless steel	Confirm with model installation drawing

For a coordinated dog park, this equipment can be planned alongside appropriate agility obstacles and visitor amenities such as leash stations, drinking fountains, waste stations and seating. Any companion equipment is sold separately unless the exact-model description explicitly includes it. Verify the chosen site layout and any accessory compatibility before ordering.
