Product Image

Description

The TBARK-466 misting fire hydrant is a red, thermoplastic-coated dog park feature with a button-operated water mist to cool dogs during supervised outdoor activity.

Features and specifications

- Surface-mounted dog park water-misting amenity
- Push-button activation produces approximately 10 seconds of spray per activation
- Approximately 13.5 inches wide and 25 inches high
- Approximate listed weight 45 lb; requires suitable water-service planning

Model and configuration comparison

Model	Configuration	Selection detail
TBARK-466	Misting fire hydrant	Provides short push-button water mist
TBARK-465	Standard fire hydrant	Decorative, non-misting model

Plan water supply and installation in accordance with the unit instructions; this is not a decorative-only hydrant.
