Description

Push-Up Station | Outdoor Fitness | UP255

The Push-Up Station, model UP255, is a commercial outdoor exercise station designed for participants age 13 and older. The two-height push-up arrangement helps users select a suitable body-weight upper-body exercise position. It can be specified for a public fitness trail, park, campus or community exercise area as part of a varied workout circuit.

Product and planning details

- Exact model: UP255
- Primary fitness activity: Muscle
