## Product Image

## Description

### Step-Up Fitness Station | Outdoor Fitness | UP264

The Step-Up Fitness Station, model UP264, is a commercial outdoor exercise station designed for participants age 13 and older. Repeated stepping up and down works the lower body and provides a cardiovascular activity. It can be specified for a public fitness trail, park, campus or community exercise area as part of a varied workout circuit.

### Product and planning details

- Exact model: UP264
- Primary fitness activity: Aerobic
- Designed user age: 13 years and older
