## Product Image

## Description

### Rhythm Outdoor Musical Instrument | RHYT-IG-REC

Bring interactive, hands-on music to parks, schools, playgrounds, sensory gardens, and community spaces with the Rhythm. This commercial outdoor marimba offers natural-sounding, percussive tones. The 9-note instrument features coated fiberglass tone elements tuned to C major diatonic. Model RHYT-IG-REC specifies inground installation with recycled-material posts.

### Product specifications
