Product Image

Description

Two-Rider Spring See Saw, 02-07-0055

The freestanding two-rider spring seesaw pairs a blue powder-coated steel frame with red seats for cooperative rocking play. It is a playground activity unit, not a mounting-only component.

Verified product details

- Designed for children ages 2 to 5.
- Two-seat cooperative spring seesaw; approximate published product weight 90 lb.
- Manufacturer lists a 20 ft by 13 ft use zone.
- Concrete anchors are included for surface mounting.
- Optional inground mounting accessory model 02-07-0187 is sold separately.

Comparison and mounting options

Model / option	Product or use	Selection detail
02-07-0055	Two-rider spring seesaw	Two child positions with rocking seesaw motion
02-07-0053	Horse spring rider	One user and different play activity
02-07-0187	Optional inground mounting kit	Separate purchase for below-grade installation

Installation and safety: Maintain the specified resilient playground surfacing throughout the use zone. Use current manufacturer guidance for anchorage and site conditions.
