Description

Recycled Hilltop Challenge | BarkPark model BARK-425

Recycled Hilltop Challenge. This climbing activity has an ascending and descending profile to develop balance and confidence. The structure belongs to the recycled Re-Bark activity family. This is the **BARK-425** configuration; versions with different mounting, materials or included components carry separate SKUs. Consult the exact installation drawing for required clearances, footing details and site preparation.

Model	Manufacturer description	Installation
BARK-425SM	Recycled Hilltop Challenge , Surface Mount	Surface mount

For a coordinated dog park, this equipment can be planned alongside appropriate agility obstacles and visitor amenities such as leash stations, drinking fountains, waste stations and seating. Any companion equipment is sold separately unless the exact-model description explicitly includes it. Verify the chosen site layout and any accessory compatibility before ordering.
