Description

Stepping Paws | BarkPark model BARK-426

Recycled Stepping Paws Set of 5. Separate stepping platforms encourage controlled stride length, positioning and balance. Confirm the quantity and mounting method for the exact SKU. This is the **BARK-426** configuration; versions with different mounting, materials or included components carry separate SKUs. Consult the exact installation drawing for required clearances, footing details and site preparation.

Model	Manufacturer description	Installation
BARK-426SM	Recycled Stepping Paws Set of 5, Surface Mount	Surface mount

For a coordinated dog park, this equipment can be planned alongside appropriate agility obstacles and visitor amenities such as leash stations, drinking fountains, waste stations and seating. Any companion equipment is sold separately unless the exact-model description explicitly includes it. Verify the chosen site layout and any accessory compatibility before ordering.
