Description

BarkPark Combination Course, Two Dog Areas (BARK-CMBKIT) is a configured BarkPark product. The package contains the items identified below; listed component models describe included equipment and are not additional pieces to order separately.

Included components

Small dog area	Small Hoop Jump, King of the Hill, Weave Posts, Doggie Crawl, Paws Grooming Table, Pet Waste Station
Large dog area	Hoop Jump, Dog Walk, Stepping Paws, Rover Jump Over, Fire Hydrant, Pet Waste Station

Configuration and ordering notes

Course model	BARK-CMBKIT
Small dog area	6 components
Large dog area	6 components
Pet Waste Stations	2 total, one in each area
Mounting	Inground
Color palettes	Natural or Playful

This is a twelve-component combined course with distinct equipment for the small-dog and large-dog areas. The two Pet Waste Stations are included in the respective area counts, not an additional pair outside the 12 components.
